

St George's Bristol is pleased to announce a new partnership with LinkAge, a fantastic local charity working with over 55s and local communities to facilitate inspiring social activities that enrich lives, reduce isolation and loneliness and promote active participation.

We first became aware of the brilliant work LinkAge are doing in and around Bristol when they facilitated a group of older people for a music and storytelling project, working alongside students from St Mary Redcliffe & Temple School. Feedback from this event was so positive we felt we must do everything possible to support this wonderful organisation more in future.

*"We want older people who may be marginalised and isolated to become active citizens taking part in their local community and most of all, having fun. Our motto of 'Involve, Inspire, Enjoy' reflects our philosophy that people 55+ have a right to rich and fulfilling life experiences and have an active place in society."*

*LinkAge Bristol*

Each season we stage a series of Thursday Lunchtime Concerts, featuring a wide variety of exciting artists. We are delighted to be able to offer FREE TICKETS for these events to LinkAge members.

We have also reserved tickets for LinkAge singers to come and spend a day learning hit songs of the Rat Pack at this year's 'Raise The Roof' event in January, led by David Ogden with City of Bristol Choir and live musicians, this event is nearly always a sell out and culminates in a grand performance by the day's 'cast'.

We hope this will be the start of a lasting relationship with LinkAge Bristol and look forward to welcoming participants to this beautiful venue.
