2018 Tom Eveson Special Award - Alannah Shaw, French Horn

Alannah has been learning French Horn since she was eight. She has taken part in music ensembles with the South Gloucestershire Music Hub for many years, most recently with the South Gloucestershire Youth Orchestra. She has taken part in horn masterclasses with Tim Thorpe, played in the Bristol Youth Orchestra and has taken part in the Music for Youth festival numerous times. Last year she won the Music Hub concerto competition and performed Mozart's 3rd horn concerto at the senior centre summer concert. She auditioned for a place at a conservatoire last winter and received a number of scholarship offers. She has commenced a degree at the Royal Conservatoire of Scotland.

"I'm very proud and grateful to have been offered this award. It will make such a difference to me. I hope to buy a professional horn in the near future, and this prize makes this possible, so thank you for your support."
