How to Watch a Streamed Performance

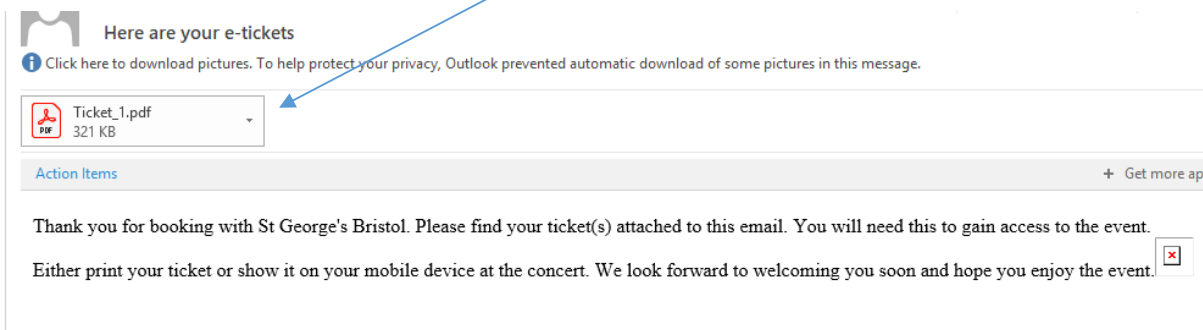

How to Watch a Streamed Performance

1. Shortly after you book your ticket, you will receive two emails. One is your confirmation email, and the other contains your e-ticket attached as a PDF. It will look like this:

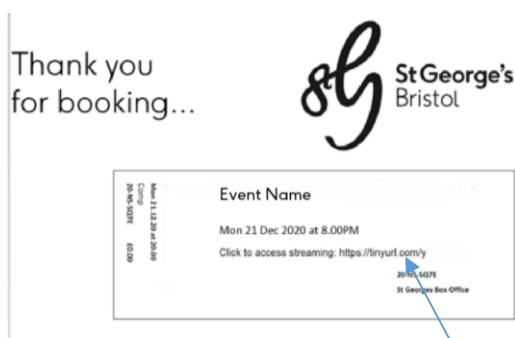

The link you need will also be in your confirmation email, with all the information you need. Depending on the event, there will be a link to YouTube or Vimeo, or a meeting ID and password for Zoom.

2. To open or download your ticket, click here:

3. You will then see this:

Click this link to access the concert. If this doesn't work, copy and paste the link into the address bar on your browser (e.g. Google Chrome, Safari, Edge).

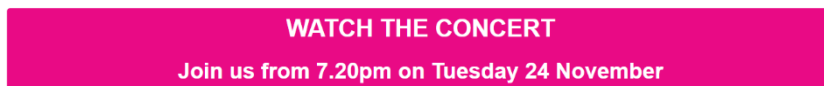

To do this on a computer, select the link by moving your cursor to the edge of the text (where 'http' starts), clicking and dragging until it is highlighted, like this: <https://tinyurl.com/u5w2cbrx>

Then, press Ctrl+C (on a PC) or Apple symbol+C (on a Mac). Open your browser (e.g. Google Chrome, Safari, Edge) and click in the address bar, here:

Press Ctrl+V or Apple symbol+V to paste the link, and press Enter. This will take you to the streaming page.

4. The link will take you to a page on the St George's website. Scroll down until you see this:

and click to watch the stream.
